

AMIE Host Family Application Form (v1.0)

Host families are an important part of our exchange program. To welcome a student into your home and family life is a very generous gesture. We thank you for helping AMIE to create safe, fulfilling and successful programs.

The Experience

We look forward to sharing this wonderful cultural exchange experience with you and your family! Our host families are made up of at least one student participating in our program and one American or Moroccan parent.

Host families typically house a student for one week; they provide a bed, evening meals and transportation. AMIE sets aside one day for host families and their student to spend time together, see the sights and enjoy local events.

Application Process

If your daughter applies for a summer program that takes place in your country of residence, then you may be eligible to host an AMIE exchange student. Here's how our application process works:

- Complete this Host Family Application Form and submit it with your daughter's Student Application Form
- An AMIE representative will contact you to set up an interview and provide more information

If you have any questions, please contact us at info@amieonline.org.
